FREQUENTLY ASKED TRAINING QUESTIONS

I am about to qualify for my Intermediate Officer Certificate, should I call TCOLE?

YES, contact TCOLE at 512-936-7700. **Effective September 1, 2011,** TCOLE is required to collect fees for all peace officer, jailer, and telecommunicator proficiency certificates. As proficiency certificate levels are met, TCLEDDS will continue to automatically **award and display** this achievement on the personal status report (PSR) but will **no longer mail the certificates to appointing agencies.** **Individuals who desire a hard copy of their certificate must electronically submit an application and pay a \$35 fee per certificate.** Licensees can purchase hard copy certificates to be mailed, by credit card or bank draft, through their online training account.

How do I obtain a transcript of my continuing education?

You can obtain a transcript of your TCOLE training record by contacting any Lieutenant, the Training Academy, or contact TCOLE at 512-936-7700.

How do I determine what courses I need to take to advance my Jailer or Peace Officer License?

You can determine the courses necessary by accessing the proficiency certificate mandates for the applicable level at <http://www.tcole.texas.gov/content/proficiency-certificates>. Comparing your training record through MyTCOLE to the mandates will determine which courses are still necessary to advance. You can also contact TCOLE at 512-936-7700 for assistance. Should there be a discrepancy regarding training received through TCSO, please contact the Registrar or Training Lieutenant at 512-854-4194.

What other training resources are available?

Approved training academies and training providers are listed on the TCOLE web site at www.tcole.texas.gov in the Training Providers link.

What firearms does TCSO authorize for carry?

A comprehensive list is available at the Training Academy range and a list of approved Weapons, Ammunition and Holsters is on the Everyone drive, in the Training folder. Newer weapon models are reviewed annually by the Weapons Committee, the Training Director/Lieutenant and Administration.

If I attended training at another agency, attended a seminar, or completed an on-line course, is it possible for me to receive TCOLE credit?

Possibly, if the training is applicable to your current job assignment. You will need to provide a copy of the course outline, the instructors' credentials, a certificate of completion stating the number of hours completed, an email with a brief statement on how the training pertains to your job, and a course evaluation to the Training Director/Lieutenant for review **within ten (10) days of completion**. If approved, course credit will be submitted to TCOLE.

I received firearms, expandable baton, revolver, semi-auto, or OC spray training at another accredited academy. Will TCSO accept it?

Yes, however, the officer must first submit proof of satisfactory completion, demonstrate proficiency if applicable and/or satisfactorily pass an oral or written exam. This process is coordinated through the Training Director/Lieutenant in conjunction with the Range Master or a Defensive Tactics Instructor.

Have any classes been added to the requirements for advancing my Peace Officer license?

Yes, January 1, 2016 TCOLE added three (3) courses required to go from Basic to Intermediate **and** Intermediate to Advanced *if* the Intermediate certificate was issued before January 1, 2016: Canine Encounters, Interacting with Drivers Deaf & Hard of Hearing, and Child Safety Check Alert List.

How long is the TCOLE Training Cycle?

Forty-eight (48) months. The *cycle* is comprised of two 24-month training *units*. To maintain their license, Peace Officers must attend 40 hours of training and attend Legislative Updates during each 24-month training *unit*. Corrections Officers must attend Cultural Diversity during the training *cycle*. The current *unit* runs September 1, 2023 – August 31, 2025. The current *cycle* runs September 1, 2021 – August 31, 2025.

Does Cultural Awareness taken in COBRA or BPOC count toward the TCOLE 48-month training requirement?

Yes, however, it only counts toward the 48-month training cycle during which the course is taken.

What classes are included in the TCOLE training mandates for this unit and cycle?

Training Mandates can also be found at <http://www.tcole.texas.gov/content/training-requirements>

Can I get TCOLE credit for college courses I’ve taken?

YES! Email our TCOLE liaison at TCOLE@traviscountytexas.gov for specific directions on how to submit your college transcripts. Each college hour is worth 20 TCOLE training hours. Once you have achieved a degree and the hours have been awarded by TCOLE, your proficiency requirements for hours & years of service are now based on education & years of service. This can make a significant difference, especially for less-tenured staff.

Are there specific classes or courses for civilian employees?

A 2-day Civilian In-Service will be held in 2022 and offered four times through the year. See Page --- for more details.

When do I need to complete my PRT tests?

Sworn staff will test twice per year on the test of their choosing: Combat Fitness or Row. Staff will complete a test during the first three months of each testing cycle. Testing cycles are: January – June and July – December. Staff who do not reach the 50% threshold on their first test will be scheduled by their supervisor to test within 30 days of the initial test.

Employees will receive up to three (3) attempts to meet the 50% threshold before being documented as having failed the cycle. Employees who fail two (2) consecutive cycles will be placed on a Fitness Improvement Plan (FIP) overseen by a TCSO Fitness Specialist.

Employees on a FIP will attend, on duty-time, 4 hours of fitness and wellness training each month. Employees may only be removed from a FIP by achieving 50% or higher on the PRT test of their choosing, administered by a TCSO Fitness Specialist.

Note: Employees on a FIP are exempt from testing every 30 days, as they will be tested at regular intervals as part of the FIP Program.

What is Combat Fitness?

Combat Fitness is a Crossfit-style workout, similar to Fight Gone Bad. Combat Fitness is 3 rounds, 5 exercises per round at 1 minute per exercise, with a 1 minute rest between each round. Total test time is 17 minutes. Combat Fitness must be completed in the following order:

Wall Ball – 20lb ball for males; 14lb ball for females. Top of the ball must crest the bottom of a 10-foot line;

Kettlebell Sumo Deadlift High Pull – 75lb kettlebell for males; 55lb kettlebell for females;

Step Ups – may jump or step up on the platform, but must step down;

Push Press – 75lb for males; 55lb for females.

Row – on flywheel/damper 10

Each rep in the first four events and each calorie in the last counts as 1 point. 100% = 300 points

At least one rep or calorie must be completed in each event, each round, for a valid test.

Combat Fitness tests must be administered by a TCSO Fitness Specialist.

What are the incentives for the PRT Program?

Staff completing either test with a 75% or better are eligible for a Fitness Pin.

Staff completing the Combat Fitness test at 300 – 349 reps will receive a "300 Club" shirt; 350 – 399 reps will receive a "350 Club" shirt; and 400+ reps will receive a "400 Club" shirt.

Staff completing both tests at 90% or better in the same year will receive a "Fitness Star" shirt and be eligible for a Fitness Star Pin (awarded at the annual Awards Banquet).

Staff completing the 2000 meter Row, Combat Fitness, and Standard PRT (Modified Cooper's) within a scheduled 2-hour period will receive a "Gladiator" shirt. The Gladiator Challenge must be administered by a TCSO Fitness Specialist.

Mindfulness also enhances self-insight, morality, intuition and fear modulation. Evidence also shows that mindfulness has numerous health benefits, including increased immune functioning, improvement to well-being, and reduction in psychological distress. This course is intended for Corrections Officers who have completed COBRA Phases 1 and 2 but have not received credit for Jailers Firearms Course on their TCOLE record. This course is not a substitute for COBRA Phase 2.

The 86th Texas Legislature created statutory requirements for County Jailers licensed by the Texas Commission on Law Enforcement (TCOLE) that must be met in order to carry firearms while on duty. In short, the statute requires the jailer to complete a course of training as approved by the Commission and receive certification from TCOLE. The jailer may then carry a firearm “during the course of performing duties as a county jailer, including while transporting persons confined in the county jail.” Course # 3599, Jail Firearms Course, meets this training requirement. TCSO is paying the \$35 fee payable to TCOLE for this certification.
